

EMPLOYMENT OPPORTUNITY

PROJECT MANAGER

Denarau Corporation Pte Ltd (DCL) is the Body Corporate for Denarau Island that manages the integrated resort structure that binds all owners and occupiers on the island. DCL's core business is to administer, manage, and continue to develop a sustainable, financially viable 5-star integrated island community on Denarau Island.

DCL invites suitable individuals or organizations for the role of Project Manager. Reporting to the General Manager and the Board of Directors, the Project Manager will be at the helm of the Wastewater Treatment facility project, driving forward the project based on accepted international standard and within an acceptable timeframe.

Key Duties & Responsibilities

- i. At all times the Project Manager must ensure that legal and compliance matters in anyway related to the project are complied with.
- ii. All phases and expenditures must be approved by the DCL Directors.
- iii. Inspecting facilities to ensure operational safety and effectiveness and that the project is in compliance with environmental regulations;
- iv. Creating programs that help to conserve or manage natural resources
- v. Creating specific safety protocols for sites, such as spill contingency plans for getting rid of or moving waste
- vi. Will work closely with the DCL team during all phases of the project.

Key Requirements

- i. Minimum 7 years' experience in a Project Manager's role, managing major CAPEX Projects;
- ii. Bachelor Degree in Engineering – Majoring in Civil and Environmental Engineering would be an advantage;
- iii. Familiarity with Wastewater treatment facilities and experience with Denarau Island and Fiji based operations would be an advantage;
- iv. Attention to detail and an uncompromising commitment to Standards;
- v. Highly developed verbal, listening and written communications skills in the English language;
- vi. Excellent interpersonal skills with a pleasant personality;

The role is for a contracted period of 24-months with the successful applicant's contracted fees and conditions open to negotiation.

Only successful candidates will be contacted for an interview. Applications may be submitted via email to nesbitt.hazelman@denarau.com with the subject: "Project Manager"

Applications Close 2pm Friday, 4th August, 2023.
